

SOUTHAMPTON FREIGHT SERVICES LTD

IMPORT – EXPORT – AIR FREIGHT – SEA FREIGHT – ROAD FREIGHT – INTL COURIER

Marine Insurance - are you covered?

Fragile, high value or sensitive consignments?

We have reduced our minimums to £27.50*

At Southampton Freight Services Ltd we are proud of our record for handling all types of cargo professionally and carefully, however there are always times when you need extra peace of mind which is where our Marine Insurance Policy can benefit your company.

We offer comprehensive insurance cover worldwide for all services and all types of cargo*.

Our unique system will provide you with an email detailing the insurance cover including the date insured, conveyance, goods description, value and a brief detail of the policy cover, providing you with complete assurance that your cargo is in safe hands.
