## — MARINE INSURANCE SERVICES —

## DON'T BE THE VICTIM OF A HORROR DELIVERY

Did you know that if your precious cargo is lost or damaged by the carrier, their liability is limited by law which means you could be financially exposed?

Our liability is limited & in the unlikely event of loss or damage during transit, it is very unlikely that you would receive compensation for the full value of your goods from the carrier. If you do not have your own marine insurance policy, we strongly encourage you to speak to our team regarding insurance cover, which we offer on a shipment basis or as an annual policy.
